

CURRICULUM VITAE

Dr. Dariya Dontsova

Name: Dariya Dontsova
Date, place of birth: 8 May 1982 in Kyiv, Ukraine
Nationality: Ukrainian
Contact: Max Planck Institute of Colloids and Interfaces, Colloid Chemistry Department, Am Mühlenberg 1, 14476 Potsdam-Golm, Germany
Phone number: +49 (0) 331-567-9562
E-mail address: Dariya.Dontsova@mpikg.mpg.de

Scientific Development

2012-2013 Postdoctoral research, MPI of Colloids and Interfaces, Potsdam, Germany; with Prof. Markus Antonietti
2011 Postdoctoral research, Institut Charles Sadron, Strasbourg, France; with Prof. Gero Decher
2006-2007 Research assistant, Department of Organofluorine compounds chemistry, Institute of Organic Chemistry, Kyiv, Ukraine; with Prof. Yurii Yagupolskii

Education

2008-2011 PhD in Physical Chemistry, University of Strasbourg/Institut Charles Sadron, Strasbourg, France. In collaboration with Clariant Produkte (Schweiz) AG, Muttenz, Switzerland
Title: "Titania based photocatalytically active layer-by-layer coatings on model surfaces and textile materials", with Prof. Gero Decher
1999-2006 Bachelor and Master Diploma in Chemical Technology and Engineering, National Technical University of Ukraine "Kyiv Polytechnic Institute", Kyiv, Ukraine
Master's thesis: "Synthesis of trifluorovinyltrimethylsilane and studying its reactivity towards organic substrates", Institute of Organic Chemistry, Kyiv, Ukraine. With Prof. Yurii Yagupolskii, Dr. Nataliya Kirij
