wir sind rund um die uhr für sie da

Our highly qualified team of experts is there for you 24 hours a day, 7 days a week. Call us – a conversation with one of our competent contact persons often clarifies things enough to noticeably improve the situation.

online-portal „mein familienservice“

- Detailed information on helping people to help themselves for all offered topics
- Extensive materials such as decision-making aids, checklists and legal texts
- Overview of lectures / seminars at the pme Familienservice locations

childcare

Whether you are looking for regular or short-term care for your pre-schoolers: We advise you on choosing the right form of care and suggest appropriate solutions.

our service for you

- Individual advising; as desired by telephone or in person
- Detailed information on all forms of care
- Selection of caregivers according to high quality standards
- Advice on possible forms of employment
- Comprehensive training program for caregivers
- Information on tax and financial aspects

homecare-eldercare

With our homecare-eldercare services, we relieve you of the organization of care and are there to support you with any questions and problems you may have.

- Individual advising on all forms of care
- Comprehensive advising on all questions on financing and care
- Referral of care and home personnel
- Referral of ambulant services and places in care homes
- Help in dealing with illness, disability and care dependency

back-up – emergency care

Our back-up facilities offer short-term and highly flexible care for hours, days, weeks, weekends and even at night – meaning round the clock – for children from 0-6 years of age.

- Short-term registration possible for next-day care (can generally be booked 2 days per child per year)
- Conveniently located, child-friendly premises
- Demand-oriented operating times throughout the year
- Educational quality care in small groups
- Inspected and high quality standards
- Nationwide hotline for booking round the clock
- Alternative short-term emergency care in private households (individual care costs must be borne by the parents)
