

How to Wiley

“OpenOnline” is **Open Access** in Wiley Language

1. You must be the **responsible corresponding author**
 - Send from your mpikg mail address, give MPIKG as affiliation
2. You must publish open access in one of **Wiley's fully open access journals** or a **subscription journal that offers OnlineOpen** (hybrid journal)
 - Attention: Some few journals **do not** offer OnlineOpen
3. You must choose **OnlineOpen at the point of acceptance**: you are invited to view your article on your Author Services Dashboard.

DOI: 10.1002/anie.201906577 and 10.1002/ange.201906577
for citing the article before page numbers are available, please use this DOI number.

Dear Dr. **[REDACTED]**

Thank you for your submission of 27 May 2019. We have received consistent positive reports (see below

[...]

We look forward to receiving the final version of this paper soon.

OPEN ACCESS

You will receive an e-mail shortly to find out whether the cost of publishing your manuscript Open Access is covered by one of our national agreements, check our website: <https://authorservices.wiley.com/author-resources/Journal-Authors/open-access/affiliation-policies-payments/index.html>. Please note that it is important to correctly select the affiliation of the primary corresponding author to qualify for these funds.

Kind regards,

Dr. **Volker** Jacob
Senior Associate Editor

4. Look for your article on the author services dashboard
 - a. If you see the note “**Wiley has an agreement with your institution, Max Planck Society, to convert...**” just click on “**Select OnlineOpen**” and follow the prompts on screen.
 - b. You may be asked to confirm your affiliation, please tick off “**Yes, I would like...**”
5. You publish in an **Open Access journal (all articles are oa)**:
 - During submission, select
 - o “**I believe a third party will pay the publication charge for this article**”
 - o Tick “**some institutions and funding agencies have agreed ...**” and enter the code for MPG, which is **D498**, into the submission field
 - o Complete the rest of the submission process

➔ You will receive a confirmation e-mail

➔ Once the paper is published (Early Views or paper issue), you cannot order OA any more.
