

Managing Board (Kollegium)

Prof. Markus Antonietti | Director | Managing Director
01/01/2023 – 12/31/2024

Prof. Peter Fratzl | Director
Prof. Peter H. Seeberger | Director
Prof. Silvia Vignolini | Director

Scientific Departments

Department of Biomaterials Prof. Peter Fratzl

- Micromechanics of Biological Materials
Dr. Shahrourz Amini
- Biofilm-based Materials
Dr. Cécile Bidan
- Adaptive Fibrous Materials MoA Research Group
Dr. Michaela Eder
- Matters of Activity Interdisciplinary Projects within the Excellence Cluster
Prof. Peter Fratzl
- Mucus-based Materials
Dr. Franziska Jehle
- Development of Mineralized Skeletal Materials
Dr. Emeline Raguin
- Hierarchical Structure of Biological and Biomimetic Materials
Dr. Wolfgang Wagermaier
- Stochastic Processes in Complex and Biological Systems
Dr. Angelo Valleriani
- Mechanobiology
Dr. Richard Weinkamer

Department of Biomolecular Systems Prof. Peter H. Seeberger

- Continuous Flow Chemistry
Dr. Dario Cambiè
- Carbohydrate Materials
Dr. Martina Delbianco
- Synthetic Array Technologies
Dr. Felix Löffler
- Synthetic Methodology and Reaction Design
Dr. John J. Molloy
- Glycan-Targeted Therapeutics
Dr. Oren Moscovitz
- Catalysis
Dr. Bartholomäus Pieber
- Carbohydrates: Structure and Function
Dr. Christian Roth
- Automated Glycan Assembly
Prof. Peter H. Seeberger
- MPI – Glycan Array Screening Facility
Prof. Peter H. Seeberger
- Computational Biophysics
Dr. Thomas Weikl

Department of Colloid Chemistry Prof. Markus Antonietti

- Old Chemistry for New Advanced Materials
Prof. Markus Antonietti
- Sustainable Solvents for Green Processes
Dr. Svitlana Filonenko
- 2D-Covalent Thin Films for Energy Storage
Dr. Paolo Giusto
- Innovative Heterogeneous Photocatalysis
Dr. Aleksandr Savateev
- Electron Microscopy
Dr. Nadja Tarakina
- Emmy Noether Group: Responsive Soft Materials & Interfaces
Dr. Lukas Zeininger

Department of Sustainable and Bio-inspired Materials Prof. Silvia Vignolini

- Multifunctional Biocomposites
Dr. Daniel Dax
- Biophysics Lab
Dr. Rumiana Dimova
- Bioproducts Engineering
Dr. Camila Honorato

General Services

- Campus Construction Management
Andreas Stockhaus
- Campus Technique
Heads: Heiko Jung, Andreas Hunold
- Caretaker
Olaf Gaida
- Electronic Workshop
- Glass Blowing Workshop
Cliff Janiszewski
- IT-Service Group
Head: Roy Pfitzner
- Library
Annette Pape
- Mechanic Workshop
Head: Marco Bott
- Public Relations
Head: Juliane Jury
- Work Safety
Dr. Kerstin Baier

Administration

- Head: Heike Kienert
- Budgeting/Accountancy
Head: Sandra Burgmeier
- Personnel
Head: Michaela Bertram
- Procurement/Purchase
Head: Katharina Zesch

Representative Bodies

- Works Council
- The Equal Opportunities Commissioners
- The Ph.D. Students Representatives
